

BSA TROOP 131 CELEBRATES
100 YEARS

We would like to invite you to our Troop's 100 year celebration in the Geneseo city park on Saturday June 10, 2017 from 1 to 4 pm.

We plan to celebrate with both the community and scouts and scouters.

Demonstrations will include a model campsite, raingutter regatta, pinewood derby, rope monkey bridge, knots and lashings demo, canoes, climbing gear, old Troop patches and T shirts, Troop activity photos, and Native American demonstrations.

We will also have popcorn, cotton candy, ice cream, and water for a nominal price. The IL DNR will have a wildlife display, Mr. Brian Shore has offered to have some of his old scouting items on display. Face painting will be available.

We will also have council guest speakers, as well as recognition of previous scoutmasters and a list of scouts who have served in the armed forces.

This is a very special occasion for us and we would be honored to have you attend.
